MEDICAL DEVICE AUTHORITY

INTRODUCTION

MEDICAL DEVICE AUTHORITY is a government agency under the Ministry of Health Malaysia who act and protect the public health and safety. The agency strives to ensure that medical devices in Malaysia are of high quality, effective and safe. Medical Device Act (Act 737) has been implemented and enforced to facilitate the medical industry. The Medical Device Authority officers may be present during the exhibition to perform random checks for compliance with the regulatory and legal controls under the Medical Device Act 2012 (Act 737).

REGULATIONS ON IMPORT AND SUPPLY

In Malaysia, medical devices are subject to regulation under the Medical Device Act. Under this Act, the import and supply of medical devices in Malaysia are required to be licensed and registered. Any medical devices exported from the country of origin for exhibition or education purposes are required to be approved by the authority.

IMPORTANT NOTE FOR FOREIGN COMPANY

1. The Ministry of Health has exempted imported medical devices with the purpose of marketing demonstration from the requirements of Section 5 Act 737 via paragraph 3(1) Medical Device (Exemption) Order 2016. Any person who imports medical devices exempted from Section 5 Act is required to notify the Authority about the said exemption.

2. Application for the purpose of the marketing demonstration can be done at least four (4) weeks before the start of import activities or undergoing the demonstration. The said application form can be downloaded from the Medical Device Authority website at www.mda.gov.my. Any updated notice with regards to demonstration notification will also be displayed on the Medical Device Authority website from time to time and any enquiries can be emailed mdb@mda.gov.my or contact +60 3-8230 0300 / +60 3-8230 0341 / +60 3-8230 0209.
3. The organizer, Malaysian Dental Association will appoint an official freight forwarder for SCATE 2026 to assist the foreign exhibitor in the application. Any enquiries regarding the importation, notification, submission, and other related matters, exhibitors may contact them.
4. A person or an establishment shall not import any medical device for demonstration prior to obtaining a letter of no restriction from the Authority.
5. The notification shall be valid for the demonstration period only.
6. The exemption is only applicable to medical devices and sites as approved which are based on the information given by the applicant.
7. A person or an establishment shall comply with any directions issued by the Authority from time to time and submit any information requested by the Authority within the prescribed period.
8. A person or an establishment shall be fully responsible for handling the unregistered medical device during the period of the demonstration.
9. The Authority reserves the right to make a visit or inspection to the person or establishment/demonstration site at any time without prior notice.
10. The Authority may take legal action if the person or establishment fails to comply with any conditions imposed by the Authority.
11. All information pertaining to this medical device including all supporting documents shall be kept at the premises and shall be made available upon request by the Authority.
12. A person or an establishment shall ensure these medical devices used in the exhibition are:
 - a. Comply with the safety and performance requirements as stipulated in the Medical Device Act 2012 (Act 737).
 - b. Properly dispose of or export out of Malaysia after removing these devices from the exhibition site after the event.
 - c. Labeled as “For Demonstration or Education Purpose Only. Not For Use on Human”.

13. A person or an establishment shall ensure that the unregistered medical device is not used on humans or used to provide results or information to support or reject any patient's diagnosis/treatment.
14. Distribution of free samples for unregistered medical devices is prohibited.

IMPORTANT NOTE FOR LOCAL COMPANY

Local companies exhibiting registered medical devices are not required to obtain any authorization for displaying their product at the exhibition. However, local exhibitors are reminded that supply of unregistered medical devices at the exhibition is strictly prohibited under the law. It is the responsibility of the local companies to apply for the purpose of marketing demonstration for unregistered medical devices.

The Malaysian Dental Association as part of the medical industry association's role is complying with the Medical Device Act (Act 737) in conferences and exhibitions. Malaysian Dental Association would like to ensure that all local exhibitors are equipped with establishment license and medical device permit issued by the Medical Device Authority.
